
The Divine In Husserl And Other Explorations 1st Edition

phenomenology of practice - max van manen - 14 phenomenology & practice practice — theory it may be helpful to remind ourselves that the word "practice" has long been used in contrast with the term "theory."

cours sur descartes - gerard granel - 5 l'adjectif « métaphysique » n'est pas, comme on voit, dans l'original latin. il est dans la traduction de 16472, que descartes a revue et approuvée, et il y joue le rôle d'un équivalent de l'expression latine de prima philosophia, en sorte que le titre français dit deux fois la même chose : « les méditations métaphysiques touchant la première philosophie ».
